

Why O2?

O₂

We recognise the importance of offering our customers' access to cutting edge mobile technology, which is why we choose to offer solutions from the award-winning network, O2.

When we say mobile we don't just mean phones. We're talking tablets, mobile WiFi, disaster recovery, boost boxes and more.

Value

We can help you select the best-fit solutions and strategy to deliver real value to your business. We offer clear and simple mobile tariff options. By reviewing your current spend and likely ongoing requirements, we will ensure that you are placed on the correct tariff.

Best for business tariff

The Best for Business tariff allows users to pay for line rental, calls and texts on a per usage basis and includes the option of free O2 to O2 calls. Text message, international roaming and Smartphone Bolt-On packages are also available. Mobile broadband SIMs are available with a choice of monthly allowance.

Handsets

We supply handsets from leading mobile manufacturers, arming your workforce with the smart mobile solutions they need. We have a wide range of solutions to suit every budget.
